

Regal - 1900

£ 16,500

Description

This is an outstanding Regal 1900 Bowrider The 1900 is still a current model in the Regal lineup (now called the Regal 1900 ES), which shows just how capable and popular this boat is. It's clearly a cut above the usual north American bowrider brigade, including the likes of Bayliner, Larson, Four Winns, Chaparal, and others. The boat has a really high-end fit and finish... With a great layout, including a nice transom walk-through and oversized swim platform, this boat can easily accommodate her rated 6 passengers plus gear. As well as being an excellent watersports boat, which factory wakeboard tower, Mer C 3.00 L motor, her proper deep-v hull means that this boat is also capable enough to take the family cruising on larger lakes or for short hops around the coast. From the plush upholstery and sophisticated helm layout to the high performance hull shape, this boat is accomplished in every regard... Given it's easy to manage size, both around the dock and on the road (being carried nicely on a single axle trailer), this boat is every bit as easy to own as any 20ft bowrider. So really, you get the best of both worlds... A boat that's easy to tow, launch, recover and store; as well as one with fantastic performance and striking looks that's a cut above the rest. Whether you're upgrading from a jet ski or lesser boat, or even looking to get started boating in style, this Regal 1900 Bowrider is definitely worth a close look. * Bimini Canopy * Tonneau Cover * Winter custom cover * Pop up cleats * Ski Pole * Bathing platform * Original handbook * Sterndrive service June 2022
